“Homegrown Tomatoes”
Guy Clark

Whole song is: C F G C G

C
Well, there ain't nothin' in the world that I like better
F
Than bacon and lettuce and homegrown tomatoes
G
Up in the mornin', out in the garden
C G
Get you a ripe one, hey, don't get a hard one

Plant 'em in the spring, eat 'em in the summer
All winter without 'em's a culinary bummer
I forget all about the sweatin' and diggin'
Every time I go out and pick me a big one

Chorus:
Homegrown tomatoes, homegrown tomatoes
What'd life be without homegrown tomatoes
Only two things that money can't buy
And that's true love and homegrown tomatoes

Now you can go out to eat and that's for sure
But it's nothin' a homegrown tomato won't cure
Put 'em in a salad, put 'em in a stew
You make your very own tomato juice

You can eat 'em with eggs, eat 'em with gravy
Eat 'em with beans, pinto or navy
Put 'em on the side, put 'em in the middle
Put a homegrown tomato on a hotcake griddle

Chorus

If I's to change this life I lead
I'd be Johnny Tomato Seed
'Cause I know what this country needs
Homegrown tomatoes in every yard you see, yeah

When I die, don't bury me
In a box in a cemetery
Out in the garden would be much better
And I could be pushin' up homegrown tomatoes

Chorus x 2
