I don't care if your dog has fleas

A newb or a pro or in-between  
**F**  
All you need are these four strings

Now you're really ready to swing

**G7** **C**  
Grab a uke, you can join on in  
**F**  
Give an "F" to the folks who don't understand  
**C**  
See, you're playing with the band  
**G**  
Gee, I could just play all day  
**G7** **C**  
'Til seven, and I'm on my way

**C**  
That boogie will not let you down  
**G**  
Soon you'll be doing it all over town  
**F**  
Playing that uke for miles and miles  
**G7** **C**  
People just gotta smile
