[G7] When the [C] deep purple [A7] falls, over [Dm] sleepy garden [G7] walls.

And the [C] stars begin to [Gm] twinkle in the [A7] sky-eye-eye-eye [A7] ye.

[A7] Through the [Dm] mist of a [Fm] memory,

[C] you wander [Ebdim] back to me,

[Dm] breath..ing my [G7] name with a [C] sigh-eye-eye-eye [G7] .

[G7] In the [C] still of the [Gdim] night, once a..[Dm]gain I hold you [G7] tight.

Though you're [C] gone, your love lives [Gm] on when moonlight [A7] beams.

[A7] And as [Dm] long as my [Fm] heart will beat, [C] sweet lover,

we'll [Ebdim] always meet,

[D] Here in my [G7] deep pur..ple [C] dreams. [G7]
