Tuning: G C E A

## CHORDS

This is my first tab so I'm not sure if it's correct. If you have any corrections write them in the comments, thanks ! :)

```
=====  
===== Rem - Stand =====  
=====
```

```
      C          F          G  
Stand in the place where you live  
F  
Now face north  
      C          F  
Think about direction  
          G          F  
Wonder why you haven't before  
      C          F          G  
Now stand in the place where you work  
F  
Now face west  
      C          F  
Think about the place where you live  
      G          F  
Wonder why you haven't before
```

```
      C          F          C          G  
If you are confused check with the sun  
      C          F          D#         G  
Carry a compass to help you along  
          C          F          C          G  
Your feet are going to be on the ground  
          C          F          D#         G  
Your head is there to move you around
```

```
      C          F          G  
So Stand in the place where you live  
F  
Now face north
```
