[C] I play ukulele be-[D7]-cause I love it so
But [G7] there's a certain song that people think that you should [C] know
[C] A classic, I will [C7] grant you that
But [F] always yelled by a [G#7] drunken twat
So I [C] tell you now, [A7] don't make me play
[G#7] When I'm Cleaning [C] Windows

[C] Any song I'll [C7] play for you,
[F] You just have to [G#7] ask me to
[C] But all you ever [A7] seem to do
Is want [G#7] When I'm Cleaning [C] Windows

At [E7] my ukulele I work hard
[A7] Never will I stop
But [D7] if you make me play that song again
I [G] may just blow my [G7] top

[C] Beatles, Bonzo's, [C7] anything
[F] If you say it, [G#7] I will sing
[C] But don't you dare be [A7] offering
[G#7] When I'm Cleaning [C] Windows

[C] There's so much more in my [C7] repertoire
[F] This isn't just a [G#7] small guitar
[C] I really can't [A7] become a star
Singing [G#7] When I'm Cleaning [C] Windows

At [E7] my ukulele I strive to do
The [A7] very best I can
Yet [D7] if you scream for you know what
I [G] might just kill a [G7] man

[C] So I'd heed this warning if [C7] I were you
[F] Now you know what [G#7] I can do
[C] So please I'm begging [A7] you don't make me
Play [G#7] When I'm Cleaning [C] Windows

[C] [C7] [F] [G#7]
[C] [A7] Don't make me play
[G#7] When I'm Cleaning [C] Windows
