Dexy's Midnight Runners

[A] [G]   [A] [G]   [A] [G]   [A] [G]

[A] Back in Sixty-**[G]**-Eight in a sweaty **[A]** club
Oh, Ge-**[G]**-no
Before**[A]** Jimmy's Machine and The **[G]** Rocksteady **[A]** Rub
Oh-oh-oh Ge-**[G]**-no-o

On a **[G]** night when flowers didn't **[Dm7]** suit my shoes
After a **[G]** week of flunkin' and **[Dm7]** bunkin' school
The **[G]** lowest head in the **[Dm7]** crowd that night
Just **[G]** practicin' steps and keepin' **[Dm7]** outta the fights

[F] Academic **[C]** inspiration, **[G]** you gave me **[D]** none
[F] But you were **[C]** Michael the lover
The **[G]** fighter that **[D]** won
[F] But now just **[C]** look at me
As I'm **[G]** looking down at **[D]** you
[F] No, I'm not **[C]** bein' flash
It's what **[G]** I'm built to **[D]** do

That **[A]** man took the stage, his **[G]** towel was swingin' **[A]** high
Oh Ge-**[G]**-no
This **[A]** man was my bombers, **[G]** my Dexy's, my **[A]** high
Oh-oh-oh Ge-**[G]**-no-o

The **[G]** crowd they all hailed you, and **[Dm7]** chanted your name
But they never **[G]** knew like we knew
Me and **[Dm7]** you were the same
And **[G]** now you're all over, your **[Dm7]** song is so tame, brrrrr
You **[G]** fed me, you bred me, I'll **[Dm7]** remember your name

[F] Academic **[C]** inspiration, **[G]** you gave me **[D]** none
[F] But you were **[C]** Michael the lover
The **[G]** fighter that **[D]** won
[F] But now just **[C]** look at me
As I'm **[G]** looking down at **[D]** you
[F] No, I'm not **[C]** bein' flash
It's **[G]** what I'm built to **[D]** do

[A] [G]   [A] Oh Ge-**[G]**-no
[A] [G]   [A] Oh Ge-**[G]**-no
[A] [G]   [A] Oh Ge-**[G]**-no
