

## Milk And Alcohol

Nick Lowe, John Mayo

[A] White boy in town  
Big black, blue sound

[D] Night club, I paid in

[A] I got a stamp on my skin

[D] Main attraction nearly [E7] dead on his feet

[D] Black man rhythm with a [E7] white boy beat

They [A] got him [G] on [D] milk [E7] and [A] alcohol

They [A] got him [G] on [D] milk [E7] and [A] alcohol

[A] Stay put, I wanna go

Hard work, bad show

[D] More liquor, don't help

[A] He's gonna die, breaks my heart

[D] I decided that e-[E7]-ventually

[D] This ain't doing a [E7] thing for me

They [A] got him [G] on [D] milk [E7] and [A] alcohol

They [A] got him [G] on [D] milk [E7] and [A] alcohol

[A] Got up, I walked out

To the car, started up

[D] Feel bad, sad night

[A] Never saw a red light

[D] Sirens were screamin' [E7] all around

I [D] pulled on over and I [E7] shut her down

The [D] black cop gave me a shove [E7] with his gun

Said [D] up against the wall don't [E7] make a run

They [A] got me [G] on [D] milk [E7] and [A] alcohol

They [A] got me [G] on [D] milk [E7] and [A] alcohol

They [A] got me [G] on [D] milk [E7] and [A] alcohol

They [A] got me [G] on [D] milk [E7] and [A] alcohol
