

Bury Me

(Dwight Yoakam & Maria McKee 1990)

4/4 Time

Intro [C5] [G] [C5] [C5] x2

Chorus

[C5] Bury me [F/C] along the big sandy

[C5] Down in the blue grey - [G] mountains

[C5] Rest my soul in those - [F/C] hills of coal

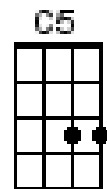

Until [C5] this old [G] earth does [C5] tremble

Now don't you [F/C] mourn for me when my [C5] soul is free

[F/C] Woman, don't you [G] cry

Just [C5] Bury me [F/C] along the big sandy

[C5] Under a [G] blue Kentucky [C5] sky

Verse 1

This old [C5] town of sin, it's [F/C] about to do me in

I don't [C5] know how much I can [G] stand

With my [C5] knees on the street and my [F/C] heart at their feet

I'm [C5] forced to [G] beg from Satan's [C5] hand

Chorus

Verse 2

When I [C5] came to this land I was [F/C] strong and I could stand

But [C5] now I've somehow gone [G] astray

Yet I [C5] still see the truth in the [F/C] teachings of my youth

And I [C5] know that the [G] Lord ain't turned [C5] away

Chorus

And add

[C5] Under a [G] blue Kentucky [C5] sky

[C5] Under a [G] blue Kentucky [C5] sky
