ARTIST: Graham Nash TITLE: Teach Your Children

```
C                   F
You who are on the road
          C                   G
Must have a code that you can live by
   C             F
And so become yourself
          C             G
Because the past is just a good-bye

C                   F
Teach your children well
             C            G
Their father's hell did slowly go by
   C                  F
And feed them on your dreams
          C                   G
The one they pick's the one you'll know by

C                       F
Don't you ever ask them why
                       C
If they told you, you would cry
                    Am F G
So just look at them and sigh
             C       F  C G
And know they love you

C                    F          C                F
And you of tender years    Can you hear and do you care and
             C                   C
Can't know the fears       Can you see we
            G                G
That your elders grew by    Must be free to
    C                       C
And so please help         Teach the children
            F                F
Them with your youth       To believe and
            C                C
They seek the truth        Make a world that
          G                 G
Before they can die        We can live in

C                    F
Teach your parents well
            C               G
Their children's hell will slowly go by
   C                F
And feed them on your dreams
          C                 G
The one they pick's the one you'll know by

C                         F
Don't you ever ask them why
                       C
If they told you, you would cry
                    Am F G
So just look at them and sigh
             C       F  C G C
And know they love you
