

A Hard Day's Night by the Beatles

It's been a hard days night and I've been working like a dog

It's been a hard days night I should be sleeping Like a log

but when I get home to you I find the thing that you do will make me feel all right

You know I work all day to get you money to buy you things and

it's worth it just to hear you say you're gonna give me everything

So why I love to come home cause when I get you alone you know I'll be O. K.

When I'm home everything seems to be right

When I'm home feeling you holding me tight, tight, yeah

It's been a hard days night and I've been working like a dog

It's been a hard days night I should be sleeping Like a log

but when I get home to you I find the thing that you do will make me feel all right

You know I feel all right You know I feel all right
