

Achy Breaky Heart (female version)

Recorded by Billy Ray Cyrus (father of Miley!!!)

Written by Donald L. Von Tress (Tune starts on the third)

D
Well you can tell the world I never was your girl (*guys sing: "you never was my girl"*)

A7
You can burn my clothes when I am gone

You can tell your friends just what a fool I've been

D
And laugh and joke about me on the phone

D
You can tell my arms go back to the farm

A7
Or you can tell my feet to hit the floor

Or you can tell my lips to tell my fingertips

D
They won't be reaching out for you no more

D
But don't tell my heart my achy breaky heart

A7
I just don't think it understands

And if you tell my heart my achy breaky heart

D
It might blow up and kill this gal (*guys sing "kill this man"*)

D
You can tell your ma I moved to Arkansas

A7
Or you can tell your dog to bite my leg

Or tell your brother Cliff whose fist can tell my lip

D
He never really liked me anyway

D
Or tell your aunt Louise tell her anything you please

A7
Myself already knows I'm not ok

Or you can tell my eye to watch out for my mind

D
It might be walkin' out on me today

Sing the Achy Breaky Heart section twice more.
