

All My Life's A Circle - Harry Chapin

Intro: vamp A

Chorus:

A D
All my life's a circle, sunrise and sundown
The moon rolls through the night time, till the daybreak comes around. A
All my life's a circle, but I can't tell you why D
Seasons spinning round again, the years keep rolling by. E D E A

A D
Seems like I've been here before, I can't remember when
But I've got this funny feeling, that we'll all be together again. A
There's no straight lines make up my life, all roads have bends. D
There's no clear cut beginnings, and so far no dead ends. E D E A

Repeat Chorus

A D
I've found you a thousand times, I guess you've done the same, A
But then we lose each other, it's just like a children's game. D
But as I find you here again, the thought rolls through my mind, E D E A
Our love is like a circle; let's go 'round one more time

Final Chorus
