

Anticipation

Carly Simon

C

C F C
We can never know about the days to come

C F Dm G
But we think about them anyway, yeah

C F C
And I wonder if I'm really with you now

F Dm G C
Or just chasin' after some finer day

F C
Anticipation, anticipation

F G F G
Is makin' me late Is keepin' me waitin'

C
And I tell you

F C
how easy it feels to be with you

C F G
And how right your arms feel around me

C F C
But I rehearsed those words just late last night

F Dm G C
When I was thinkin' about how right tonight might be

F C
Anticipation, anticipation

F G F G
Is makin' me late Is keepin' me waitin'

C F C
And tomorrow we might not be together

C F Dm G
I'm no prophet Lord I don't know nature's ways

C F C
So I'll try and see into your eyes right now

F Dm G C
And stay right here 'cause these are the good old days

C F C
These are the good old days

(F once) Dm G C
And stay right here 'cause these are the good old days

C F C
These are the good old days

C F C
These are the good old days

C F C
These are the good old days

C F F (C 1 strum)
These A R E the good old days
