Should **(G)** auld acquaintance **(D7)** be forgot,
and **(G)** never **(G7)** brought to **(C)** mind?
Should **(G)** auld acquaintance **(D7)** be forgot,
and **(C)** auld **(D7)** lang **(G)** syne?

CHORUS
For **(G)** auld lang **(D7)** syne, my dear,
for **(G)** auld **(G7)** lang **(C)** syne,
we'll **(G)** take a cup of **(D7)** kindness **(B7)** yet,
for **(C)** auld **(D7)** lang **(G)** syne.

And **(G)** there's a hand my **(D7)** trusty friend!
And **(G)** give us a **(G7)** hand o' **(C)** thine!
And we'll **(G)** take a right good- **(D7)** will draught,
for **(C)** auld **(D7)** lang **(G)** syne.

CHORUS
For **(G)** auld lang **(D7)** syne, my dear,
for **(G)** auld **(G7)** lang **(C)** syne,
we'll **(G)** take a cup of **(D7)** kindness **(B7)** yet,
for **(C)** auld **(D7)** lang **(G)** syne.
