Yellow Submarine *for Ukulele* Key:G Level 2 (C chord)
```
       G         D7      G
*In the town- where I  was  born
        C                D7
Lived a man who sailed to sea.
      G        D7     G
And he told us of his life
       C             D7
In the land of subma-rines.
```

```
       G         D7      G
So we sailed-  on to the sun
        C               D7
Till we found the sea of green.
       G        D7       G
And we lived be-neath the waves
      C               D7
In our yellow- subma-rine.
```

CHORUS:

G   D7
We all live in a yellow submarine
**   G**
Yellow submarine, yellow submarine
G   D7
We all live in a yellow submarine
**   G**
Yellow submarine, yellow submarine

```
       G             D7  G
And our friends- are all a-board,
        C                    D7
Many more of them- live next door.
        G        D7     G     /
And the band be-gins to play.
```
CHORUS

```
       G   D7    G
And we live a life of ease.
         C                  D7
Every one of us- has all we need.
        G          D7    G
Sky of blue, and sea of green
          C               D7
In our yellow subma-rine.
```

CHORUS
repeat CHORUS.

(Note: for ukulele standard tuning G C E A)
