Intro

| G | C | G | C | G | C |

G

We both lie silently still

C

in the dead of the night

G

Although we both lie close together

C

we feel miles apart inside

G

Was it something I said

C

or something I did?

G

C

Did my words not come out right?

D

Though I tried not to hurt you

C

Though I tried

But I guess that's why they say

CHORUS

G

C

Every rose has its thorn

G

C

Just like every night has its dawn

G

D

Just like every cowboy

C

G

sings his sad, sad song

C (stop)

Every rose has its thorn

Yeah it does

G

I listen to our favorite song

C

playing on the radio

G

Hear the DJ say love's a game

C

of easy come and easy go

G

C

But I wonder does he know?

G

C

Has he ever felt like this?

D

And I know that you'd be here right now

C

If I could have let you know somehow

I guess

CHORUS

Em

D

Though it's been a while now

C

G

I can still feel so much pain

Em

D

Like a knife that cuts you the wound
heals

C

G

But the scar, that scar remains

| C | G | C |

G

I know I could have saved a love that
night

C

if I'd known what to say

G

Instead of makin' love

C

we both made our separate ways

G

C

And now I hear you found somebody new

G

C

And that I never meant that much to you

D

To hear that tears me up inside

C

And to see you cuts me like a knife

I guess

CHORUS
