VERSES

I gotta hole in my cup

It let's my whiskey out

It pours all over the dusty ground
and makes me want to shout

I gotta hole in my head

Of that there is no doubt

It lets too much whiskey in

And it lets some bad words out

CHORUS

I gotta hole in my roof

Big as a prickly pear

It lets the monsoon rains come in

So my girl won't stay there

I gotta hole in my sack

bringin my groceries back

They scattered around all over the town

My girl's gonna give me a whack

CHORUS
