I Drove All Night – Cyndi Lauper, Roy Orbison

Intro: **C / / / C / / / Bb / / / Bb / / /**   **(x2)**   <u>**Chords**</u>

```
C                         Bb
I had to escape, the city was sticky and cruel
C                                          Bb          Dm
 Maybe I should have called you first, but I was dying to get to you
      F                       Bb              C
I was dreaming while I drove - the long straight road ahead, uh, huh, yeah
```

<u>**Bridge 1**</u>
```
      Bb
Could taste your sweet kisses, your arms open wide
      C                             Bb     F
This fever for you is just burning me up inside
```

<u>**Chorus**</u>
```
        Am  Bb        F    Dm        C
I drove all n-i-ight to get to you ...   is that alright?
        Am  Bb        F    Dm                C
I drove all n-i-ight, crept in your room  ...  woke you from your sleep,
           Bb                              F
To make love to you ... is that alright?  .... I drove all night
```

```
 C                        Bb
What in this world,  keeps us from falling apart
    C                         Bb          Dm
No matter where I go I hear .. the beating of your heart
  F                     Bb          C
I think about you .. when the night is cold and dark .. uh huh, yeah
```

<u>**Bridge 2**</u>
```
 Bb
 No one can move me the way that you do ...
C                             Bb     F
Nothing erases the feeling between me and you
```
