

"Lay All Your Love on Me"
ABBA

Em

I wasn't jealous before we met

D

Now every woman I see is a potential threat

Em

And I'm possessive, it isn't nice

D

You've heard me saying that smoking was my only vice

Em

But now it isn't true

B

Now everything is new

Em

D

And all I've learned has overturned

Em

A

I beg of you-oo *[pause]*

Em

C B

Don't go wasting your emotion

Em

C D G

Lay all your love on me

Em

It was like shooting a sitting duck

D

A little small talk, a smile and baby I was stuck

Em

I still don't know what you've done with me

D

A grown-up woman should never fall so easily

Em

I feel a kind of fear

B

When I don't have you near

Em

D

Unsatisfied, I skip my pride

Em

A

I beg you dee-ear *[pause]*

Chorus (next page!)

Em **C B**
Don't go wasting your emotion

Em C D G
Lay all your love on me

Em C B
Don't go sharing your devotion

Em C D G
Lay all your love on me

Em
I've had a few little love affairs

D
They didn't last very long and they've been pretty scarce

Em
I used to think that was sensible

D
It makes the truth even more incomprehensible

Em
'Cause everything is new

B
And everything is you

Em D
And all I've learned has overturned

Em A
What can I do-oo *[pause]*
