

MY EYES in A Minor from Dr. Horrible's Sing Along Blog by Joss Whedon

HORRIBLE:

Am
Any dolt with half a brain
Can see that humankind has gone insane
To the point where I don't know
If I'll upset the status quo
If I throw poison in the water main
Dm Am
Listen close to everybody's heart
Dm Am
And hear that breaking sound
Dm Am
Hopes and dreams are shattering apart
Em G
And crashing to the ground
Am F
I cannot believe my eyes
Am G F
How the world's filled with filth and lies
Am G
But it's plain to see
D F Am
Evil inside of me is on the rise

PENNY:

C
Look around
We're living with the lost and found
Just when you feel you've almost drowned
You find yourself on solid ground
And you believe
Dm Am
There's good in everybody's heart
Dm Am
Keep it safe and sound
Dm Am
With hope, you can do your part
Em G
To turn a life around
C F
I cannot believe my eyes
C G F
Is the world finally growing wise
Am G
'Cause it seems to me
(G) D
Some kind of harmony
F Am
Is on the rise

HORRIBLE:

C
Anyone with half a brain
Could spend their whole life howling in pain
'Cause the dark is everywhere
And Penny doesn't seem to care
That soon the dark in me is all that will
remain
Dm Am
Listen close to everybody's heart
Dm Am
And hear that breaking sound
Dm Am
Hopes and dreams are shattering apart
Em G
And crashing to the ground
C F
I cannot believe my eyes
C G F
How the world's filled with filth and lies
Am G
But it's plain to see
(G) D F Am
Evil inside of me is on the rise

PENNY:

C
Take it slow
He looks at me and seems to know
The things that I'm afraid to show
And suddenly I feel this glow
And I believe
Dm Am
There's good in everybody's heart
Dm Am
Keep it safe and sound
Dm Am
With hope, you can do your part
Em G
To turn a life around
C F
I cannot believe my eyes
C G F
How the world's finally growing wise
Am G
And it's plain to see
(G) D F Am
Rapture inside of me is on the rise
