

My Baby Can Dance

C
He got a frame like a busted bike
F D
He got a face that nobody likes to see
G
nobody but me

C
He got a thing or two to learn about love
F D
He act like he ain't never heard of romance
G/
so why'd I give him a chance?

C
My baby can dance
F
my baby can swing
B Bb
my baby can shake me slow
A D G
so I don't need no other thing

C
My baby can dance
F
my baby can sway
B Bb
my baby can hold me tight enough
A D G
to drive my cares away ... my baby can

C
We go out to the joint downtown
F D
I dress up and he dress down but it
G
don't matter one bit

C
'Cause we got something better than class
F D
who needs love when love don't last that long?
G/
and all we need is a song

My Baby Can Dance

My baby can dance
my baby can groove
my baby can shut me up
so I listen to the music and move

My baby can oooh!
my baby can aaah!
my baby can oooh! aaah!

A D G

My baby can dance
my baby can sway
my baby can hold me tight enough
to drive my cares away

my baby can dance
