D G D G  
Well I heard that you're leavin, gonna leave me far behind,  
B7 Em A D  
'Cause you found a brand new lover, you decided that I'm not your kind.

G D G  
So I pulled your name out of my Rolodex,  
C G  
And I tore all your pictures in two,  
B7 Em  
And I burned down the malt shop where we used to go,  
A D  
Just because it reminds me of you.....

C D G  
That's right, you ain't gonna see me crying,  
C D G  
I'm glad that you found somebody new,  
C D G C  
'Cause I'd rather spend eternity eating shards of broken glass,  
G D G  
Than spend one more minute with you.

D G  
I guess I might seem kinda bitter,  
D G D  
You got me feeling down in the dumps,  
B7 Em  
'Cause I'm stranded all alone in the gas station of love,  
A D  
And I have to use the self-service pumps...

Oh so honey, let me help you with that suitcase  
You ain't gonna break my heart in two  
'Cause I'd rather get a hundred-thousand paper cuts on my face,  
Than spend one more minute with you..

I'd rather rip out my intestines with a fork  
Than watch you going out with other men  
I'd rather slam my fingers in a door,  
Again, and again, and again, and again, and again

(spoken) *Oh can't you what I'm trying to say, darlin', I'd*

rather have my blood sucked out by leaches  
Shove an ice-pick under a toenail or two  
I'd rather clean all the bathrooms  
In Grand Central Station, with my tongue..  
Than spend one more minute with you

C D G

Yes, I'd rather dive naked on a huge pile of thumbtacks

C D G

Or stick my nostrils together with Krazy-Glue

C D

I'd rather dive into a swimming pool filled with

G C

Double-edged razor blades

G D Em

Than spend one more minute with you

C D

I'd rather rip my heart right out of my ribcage with my bare hands

G C

And throw it on the floor and stomp on it till I die.... (DRAMATIC SIGH)

G D G

Than spend... one more minute.... With... you.
