arranged for UFC of CoMO

INTRO: | G | C | G | D |

G C  
And you know the sun's settin' fast,  
G D  
And just like they say, nothing good ever lasts.

G C  
Well, go on now and kiss it goodbye,

G  
But hold on to your lover,  
D

'Cause your heart's bound to die.

## CHORUS:

G C  
Go on now and say goodbye to  
G D  
our town, to our town.

G C  
Can't you see the sun's settin' down on  
G D  
our town, on our town,

| G | C | G | D |  
Goodnight.

G C  
Up the street beside that red neon light,  
G D  
That's where I met my baby on one hot summer  
night.

G C  
He was the tender and I ordered a beer,  
G D  
It's been forty years and I'm still sitting here.

G C  
But you know the sun's settin' fast,  
G D  
And just like they say, nothing good ever lasts.

G C  
Well, go on now and kiss it goodbye,  
G

But hold on to your lover,  
D  
'Cause your heart's bound to die.

## CHORUS

G C  
It's here I had my babies and I had my first kiss.  
G D  
I've walked down Main Street in the cold  
morning mist.

G C  
Over there is where I bought my first car.  
G D  
It turned over once but then it never went far.

G C  
And I can see the sun's settin' fast,  
G D  
And just like they say, nothing good ever lasts.

G C  
Well, go on now and kiss it goodbye,  
G

But hold on to your lover,  
D  
'Cause your heart's bound to die.

# Our Town - Iris DeMent

G C  
I buried my Mama and I buried my Pa.  
G D  
They sleep up the street beside that pretty brick wall.

G C  
I bring them flowers about every day,  
G D  
But I just gotta cry when I think what they'd say.

G C  
If they could see how the sun's settin' fast,  
G D  
And just like they say, nothing good ever lasts.

G C  
Well, go on now and kiss it goodbye,  
G  
But hold on to your lover,  
D  
'Cause your heart's bound to die.

## CHORUS:

G C  
Go on now and say goodbye to  
G D  
our town, to our town.  
G C  
Can't you see the sun's settin' down on  
G D  
our town, on our town,  
| G | C | G | D |  
Goodnight.

G C  
I sit on the porch and watch the lightning-bugs fly.  
C D  
But I can't see too good, I got tears in my eyes.

G C  
I'm leaving tomorrow but I don't wanna go.  
G D  
I love you, my town, you'll always live in my soul.

G C  
But I can see the sun's settin' fast,  
G D  
And just like they say, nothing good ever lasts.

G C  
Well, go on now I gotta kiss you goodbye,  
G  
But hold on to your lover,  
D  
'Cause your heart's bound to die.

Go on now and say goodbye to
