Perhaps Perhaps -Doris Day (and Cake)
(Note: \ = 1 downstrum)
Verse:
B7\
                    \mathsf{Em}
You won't admit you love me
    Am
                \mathsf{Em}
                        Am
And so how am I ever to know
                              B7\
                      C١
                                      Em\
You always tell me Perhaps perhaps
Verse:
B7\
                     Em
A million times I've asked you
                   Em
And then I ask you over again
         Em
                   C\
                           B7\
                                   Em\
You only answer Perhaps perhaps
Chorus:
   E(4447)
                       B7(4656)
If you can't make your mind up
      В7
                E6(4444)
We'll never get started
    F
                  В7
And I don't wanna wind up
Being parted broken-hearted
Verse: Instrumental
Verse:
   B7\
                 \mathsf{Em}
So if you really love me
                   Em
                                 Am
Say yes but if you don't dear confess
                 Em
                            C١
                                    B7\
And please don't tell me Perhaps perhaps
   C١
