

Ain't No Man

C

There ain't no man can save me

There ain't no man can enslave me

G

Ain't no man or men that can change the shape my soul is in

F

C

G

C

There ain't nobody here who can cause me pain or raise my fear

F

G

Cause I got only love to share

F

G

C

If you're looking for the truth, I'm proof you'll find it there

F

C

You got to serve something, ain't that right?

G

C

I know it gets dark, but there's always a light

F

C

You don't have to buy in to get into the club

G

Trade your worries

F

C

You gotta show up if you wanna be seen

G

C

If it matters to you, it matters to me

F

C

I'm gonna fall hard, yes I know I am

G/

When the crowds crack up, I laugh with them

Ain't No Man

CHORUS

F C
You say you look funny, I say you're a star

G C
I say you're whatever you think you are

F C
Watch the naysayers fall right in line

G/
If we believe that they'll say, "she is so pretty, he is so fine"

CHORUS

F C
You got to go somewhere ain't that true

G C
Not a whole lot of time for me or you

F C G
Got a whole lot of reasons to be mad; let's not pick one

F C
I live in a room at the top of the stairs

G C
Got my window wide open and nobody cares

F C G
Got no choice but to get right up when the sun comes thru

CHORUS

F/ G/ C/
If you're looking for the truth, I'm proof you'll find it there

F/
If you're looking for the truth, I'm proof you'll find it there
