Where are you going my brown eyed son?  
**F C Am G**  
You used to crawl but now you run  
**F C Am G**

**F C Am G**  
And the river curled into a question mark  
**F C Am G**  
Will you sleep on diamond beaches, dear?  
**F C Am G**  
And drink from prism streams so clear?  
**F C Am G**  
You don't got to be rich to get around  
**F C Am G**  
There are mansions growing out of the ground

[Chorus]

**F C Am**  
Days go by  
**G F C Am G**  
Get out and see the world  
**F C Am**  
Days go by  
**G F C Am G**

There are kids out there with war paint on
