

## Seven Bridges Road – The Eagles

[Single Strum]

D            C                    G            D  
There are stars in the Southern sky  
D            C            G    D  
Southward as you go  
D            C                    G            D  
There is moonlight and moss in the trees  
                  D        C            G        D  
Down the Seven Bridges Road

[Strumming, one measure each] D C G D

          D            C            G            D  
Now I have loved you like a baby  
D            C            G        D  
Like some lonesome child  
          D            C            G            D  
And I have loved you in a tame way  
          D            C            G        D D [Extra measure]  
And I have loved you wild

          C                            D  
Sometimes there's a part of me  
          C                            D  
Has to turn from here and go  
C    D  
Running like a child from these warm stars  
          D        C            G        D [Single strum]  
Down the Seven Bridges Road

[No strumming]

There are stars in the Southern sky  
And if ever you decide  
You should go  
There is a taste of time sweetened honey  
Down the Seven Bridges Road
