

# Shiver Me Timbers

By Tom Waits (Ukulele Orchestra of Great Brittan Version)

A D A F#m  
I'm leavin' my family, and leavin' my friends

A F#m Bm E  
My body's at home, but my heart's in the wind

A D A F#m  
Where the clouds are like headlines, on a new front page sky

A F#m Bm E A  
My tears are salt water, and the moon's full and high

A D A F#m  
And I know Martin Eden's gonna be proud of me now,

A F#m Bm E  
And many before me who've been called to the sea

A D A F#m  
To be up in the crow's nest singin' my say

A F#m Bm E A  
Shiver me timbers, I'm a sailin a- way.

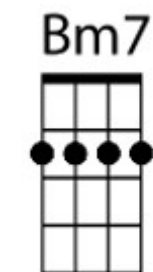

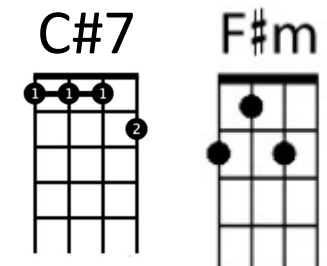

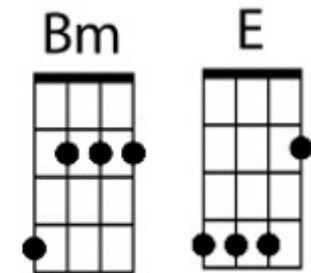

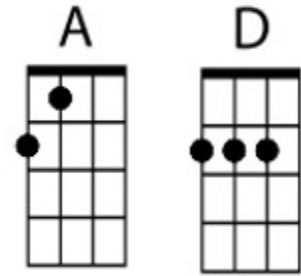

## CHORUS

C#7 F#m C#aug A B7  
Now the fog's liftin', sand's shiftin', I'm driftin' on out

Bm7 E C#7  
Ol' Captain Ahab, he ain't got nothin' on me now, so

F#m C#aug A B7  
Swallow me, don't follow me, cuz I'm travelin alone

Bm7 E  
Blue water's my daughter, I'm gonna skip' like a stone

# Shiver Me Timbers

By Tom Waits (Ukulele Orchestra of Great Brittan Version)

A D A F#m

And please call my missus, tell her not to cry

A F#m Bm E

For my goodbye is written, by the moon in the sky

A D A F#m

And nobody knows me, I can't fathom my stayin'

A F#m Bm E A

Shiver me timbers, I'm a sailin a- way.
