

Shiver Me Timbers

By Tom Waits (Ukulele Orchestra of Great Brittan Version)

C F C Am
I'm leavin' my family, and leavin' my friends

C Am Dm G
My body's at home, but my heart's in the wind

C F C Am
Where the clouds are like headlines, on a new front page sky

C Am Dm G C
My tears are salt water, and the moon's full and high

C F C Am
And I know Martin Eden's gonna be proud of me now,

C Am Dm G
And many before me who've been called to the sea

C F C Am
To be up in the crow's nest singin' my say

C Am Dm G C
Shiver me timbers, I'm a sailin a- way.

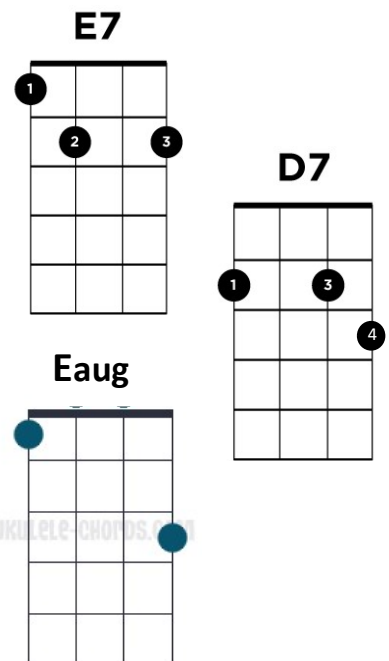

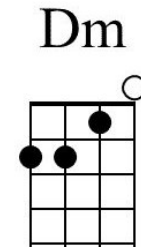

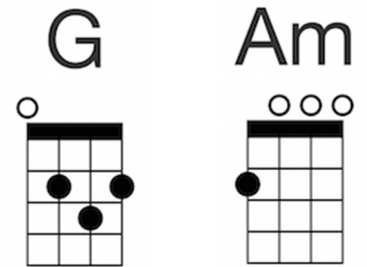

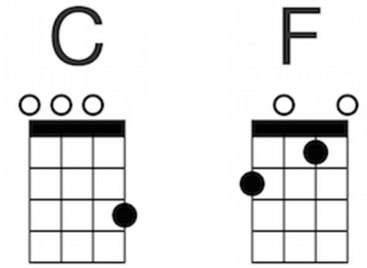

CHORUS

E7 Am Eaug C D7
Now the fog's liftin', sand's shiftin', I'm driftin' on out

Dm G E7
Ol' Captain Ahab, he ain't got nothin' on me now, so

Am Eaug C D7
Swallow me, don't follow me, cuz I'm travelin alone

Dm G
Blue water's my daughter, I'm gonna skip' like a stone

Shiver Me Timbers

By Tom Waits (Ukulele Orchestra of Great Brittan Version)

C F C Am
And please call my missus, tell her not to cry

C Am Dm G
For my goodbye is written, by the moon in the sky

C F C Am
And nobody knows me, I can't fathom my stayin'

C Am Dm G C
Shiver me timbers, I'm a sailin a- way.

CHORUS

E7 Am Eaug C D7
Now the fog's liftin', sand's shiftin', I'm driftin' on out

Dm G E7
Ol' Captain Ahab, he ain't got nothin' on me now, so

Am Eaug C D7
Swallow me, don't follow me, cuz I'm travelin alone

Dm G
Blue water's my daughter, I'm gonna skip' like a stone

C F C Am
And I'm leavin' my family, and leavin' all my friends

C Am Dm G
My body's at home, but my heart's in the wind

C F C Am
Where the clouds are like headlines, on a new front page sky

C Am Dm G C
Shiver me timbers, I'm a sailin a- way.
