

Shiver Me Timbers

By Tom Waits (Ukulele Orchestra of Great Brittan Version)

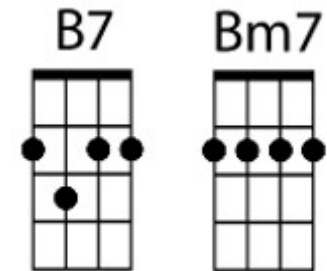

- A D A F#m
- 1- I'm leavin' my family, and leavin' my friends
2- And I know Martin Eden's gonna be proud of me
4- And please call my missus, tell her not to cry
6- And I'm leavin' my family, and leavin' my friends

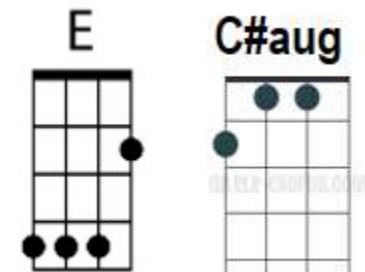

- A F#m Bm E
- 1- My body's at home, but my heart's in the wind
2- And many before me who've been called to the sea
4- For my goodbye is written, by the moon in the sky
6- My body's at home, but my heart's in the wind

- A D A F#m
- 1- Where the clouds are like headlines, on a new front page sky
2- To be up in the crow's nest and singin' my say
4- And nobody knows me, I can't fathom my stayin'
6- Where the clouds are like headlines, on a new front page sky

- A F#m Bm E A
- 1- My tears are salt water, and the moon's full and high
2- Shiver me timbers, I'm a sailin away.
4- And shiver me timbers, I'm a-sailin' away
6- And shiver me timbers, I'm a-sailin' away
