

Shut up and Dance – Walk the Moon

INTRO: C G Am F x2

CHORUS:

Oh don't you dare look back
Just keep your eyes on me.
I said your holding back,
She said shut up and dance with me!
This woman is my destiny
She said oh oh oh
Shut up and dance with me

We were victims of the night,
The chemical, physical, kryptonite
Helpless to the bass and faded light
Oh we were born to get together,
Born to get together.

PRE-CHORUS

She took my arm,
I don't know how it happened.
We took the floor and she said

CHORUS

C G Am F

A backless dress and some beat up sneaks,
My discotheque Juliet teenage dream.
I felt it in my chest as she looked at me.
I knew we were born to be together,
Born to be together

PRE-CHORUS

CHORUS

Deep in her eyes,
I think I see the future.
I realize this is my last chance.

PRE-CHORUS

CHORUS x2

Oh oh oh shut up and dance with me
Oh oh oh shut up and dance with me
