

# Simple Song of Freedom - Bobby Darin

A                    E7                    A  
Come and sing a simple song of freedom  
D    A  
Sing it like you've never sung before  
E7    F#m  
Let it fill the air tell the people everywhere  
D                    E7                    A  
We the people here don't want a war

   E7                    A  
Seven hundred million are you listening  
D    A  
Most of what you read is made of lies  
E7    F#m  
Speaking one to one ain't it everybody's sun  
D                    E7                    A  
To wake to in the morning when we rise

## CHORUS

   E7                    A  
Brother Solzhenitsyn are you busy  
D    A  
If not would you drop a friend a line  
E7    F#m  
Tell me if the man who is plowing up your land  
D                    E7                    A  
Has got the war machine upon his mind

## CHORUS

   E7                    A  
No doubt some folks enjoy doing battle  
   D                    A  
Like presidents, prime ministers, and kings  
E7    F#m  
So let us build them shelves where they might fight among themselves  
D                    E7                    A  
And leave the people be who love to sing

## CHORUS
