If you change your mind, I'm the first in line Honey I'm still free, take a chance on me If you need me, let me know, gonna be around If you've got no place to go, if you're feeling down If you're all alone when the pretty birds have flown Honey I'm still free, take a chance on me Gonna do my very best and it ain't no lie If you put me to the test, if you let me try Am Take a chance on me Αm Take a chance on me Αm We can go dancing, we can go walking As long as we're together Listen to some music, maybe just talking Get to know you better 'Cause you know I've got so much that I wanna do When I dream I'm alone with you, it's magic You want me to leave it there, afraid of a love affair
