G CM7

VERSE

G CM7

Heaven, a gateway, a hope

G CM7  
Just like a feeling inside, it's no joke

G CM7  
And though it hurts me to see you this way

G CM7  
Betrayed by words, I'd never heard, too hard to say

CHORUS (x2)

G  
Up, down, turn around

D  
Please don't let me hit the ground

CM7  
Tonight I think I'll walk alone  
I'll find my soul as I go home

G CM7

G CM7

VERSE

G CM7  
Each way I turn, I know I'll always try  
G CM7  
To break this circle that's been placed around me  
G CM7  
From time to time, I find I've lost some need  
G CM7  
That was urgent to myself, I do believe

CHORUS (x2)

G CM7  
000-00-0 000-00-00 000-00-00 000-00-00-00-00  
G CM7  
000-00-00 000-00-00 000-00-00-00-00 000-00-00  
G CM7

(X2)

G  
Oh, you've got green eyes  
D  
Oh, you've got blue eyes  
CM7  
Oh, you've got grey eyes

G CM7  
And I've never seen anyone quite like you before  
G CM7  
No, I've never met anyone quite like you before

(x4)

G D

Bolts from above hurt the people down below

CM7

People in this world, we have no place to go

G

Oh, it's the last time

D

Oh, it's the last time

CM7

Oh, it's the last time

G

Oh, it's the last time

D

Oh, it's the last time

CM7

Oh, it's the last time

G

CM7

Oh, I've never met anyone quite like you before

G

CM7

Oh no, I've never met anyone quite like you before
