Who wants to buy this diamond ring?  
   **Bm7**                **E C**  
She took it off her finger, now it doesn't mean a thing  
**F**                **Am**                **Dm**                **C**  
This diamond ring doesn't shine for me anymore  
                         **F**                **Am**                **Dm**                **C**  
And this diamond ring doesn't mean what it meant before  
         **Dm**    **Am**    **Dm**                **Am Gm C**                **F F#**  
So if you've got someone whose love is true, let it shine for you

**Bm**                **Bm7**                **E Bm**  
This stone is genuine like love should be  
         **Bm**                **Bm7**                **E C**  
And if your baby's truer than my baby was to me

This diamond ring can mean something beautiful  
         **F**                **Am**    **Dm**                **C**  
And this diamond ring can mean dreams that are coming true  
         **Dm**    **Am**                **Dm**    **Am**    **Gm C**                **F F#**  
And then your heart won't have to break like mine did if there's love behind it
