

**The tide is high** -G      vamp= G//// C// D//

G                                  C          D  
The tide is high but I'm holdin' on

G                                  C          D  
I'm gonna be your number one

G  
I'm not the kind of man

C                  D          G      C          D  
Who gives up just like that, no-o-o-o-oh

G    C          D  
It's not the things you do that truly hurt me bad

G    C          D  
But it's the way you do the things you do to me

G  
I'm not the kind of man

C                  D          G      C          D  
Who gives up just like that, no-o-o-o-oh

G                                  C          D  
The tide is high but I'm holdin' on

G                                  C          D  
I'm gonna be your number one

C          D      C          D  
Number one, number one

*Vamp*

Every man wants you to be his girl  
But I'll wait my dear 'til it's my turn  
I'm not the kind of man  
Who gives up just like that, no-o-o-o-oh

The tide is high but I'm holdin' on...
