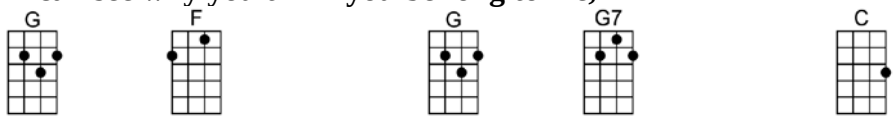
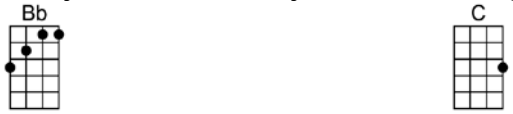
Intro: / / / / (X2)

I can see why you think you be-long to me,



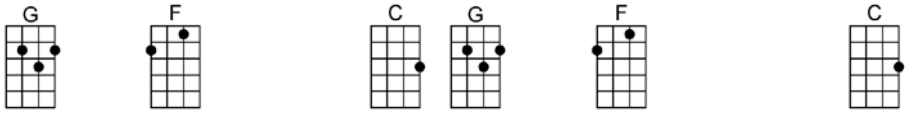
I never try to make you think, or let you see one thing for your-self,



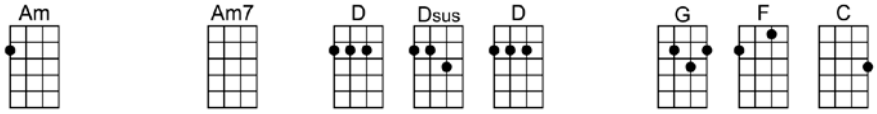
But now you're off with someone else and I'm a-lone,

You see I thought that I might keep you for my own,

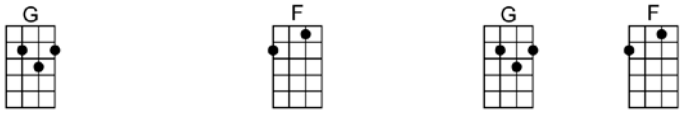
CHORUS:



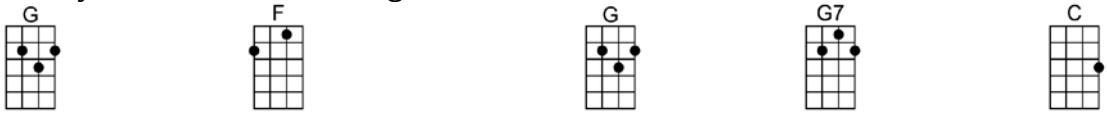
Amie, what you wanna do? I think I could stay with you,



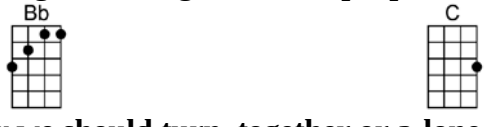
For a while, maybe longer if I do,



Don't you think the time is right for us to find,



All the things we thought weren't proper could be right in time and can you see,

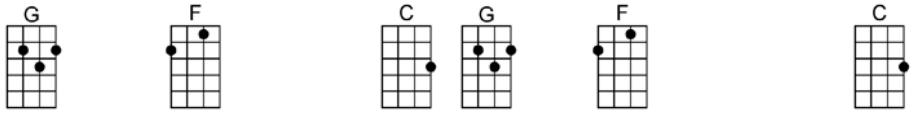


Which way we should turn, together or a-lone,

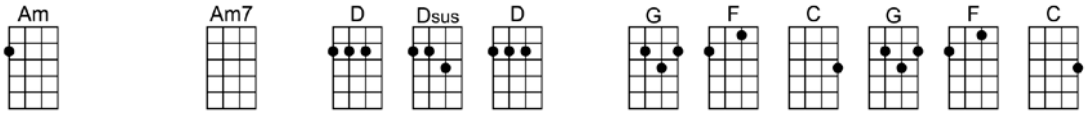
I can never see what's right or what is wrong. Will it take too long to see,

p.2. Amie

CHORUS:



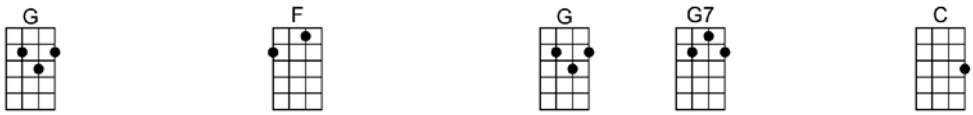
Amie, what you wanna do? I think I could stay with you,



For a while, maybe longer if I do,

CODA: I keep.....

Now it's come to what you want you've had your way,



All the things you thought before just faded into gray and can you see,

That I don't know if it's you or if it's me,

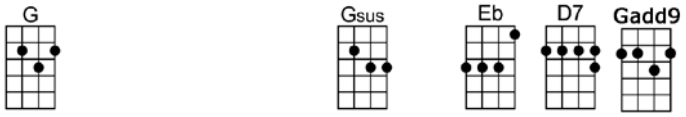
If it's one of us I'm sure we both will see, won't you look at me and tell me,

CHORUS x2, then CODA

CODA:

I keep fallin' in and out of love with you, fallin' in and out of love with you,

Don't know what I'm gonna do, I keep



Fallin' in and out of love with you.....
