

# BORN WITH A BROKEN HEART – David Wax Museum

Intro: G(d-dududu)Gsus2(du-ududu) x4

Verse:

I was [G]born a broken-hearted boy, give or take an [D7]ounce  
And the [G]world wouldn't give me a break waiting, ready to [D7]pounce, (oooh)  
I was [G]born with a broken heart, with a broken heart, sure was [D7]broken  
I was [G]born with a broken heart, with a broken heart, sure was [D7]broken  
[D7]Oooh in [G]two

If you're [G] out wandering in the streets, knock on my window, it'll [D7]open  
My bed is [G]small, but so are we. Let love lay us low—here's to [D7]hoping, oooh  
You were [G]born with a broken heart, with a broken heart, sure was [D7]broken  
You were [G]born with a broken heart, with a broken heart, sure was [D7]broken  
[D7]Oooh in [G]two

Chorus:

[C]Sometimes we get [D7]so confused  
[G]We get taken for a ride  
[C]We get worked over  
[C]Some of us come with new hearts  
[D7]Most of us come with used hearts  
[G]Baby, why do you look so [C]sad?

There are [G]men who will stand accused, but they won't be told the [D7]why  
They were [G]strong so were beaten down, but the sun look gold through [D7]blackened eyes  
They were [G]born with a broken heart, with a broken heart, sure was [D7]broken  
They were [G]born with a broken heart, with a broken heart, sure was [D7]broken  
[D7]Oooh in [G]two

[C]Sometimes we get [D7]so confused  
[G]We get taken for a ride  
[C]We get worked over  
[C]Some of us come with new hearts
