G Bm C D

G
The snow's coming down, I'm watching it fall

C
Watching the people around, baby please come home

G
The church bells in town, they're ringing a song

C
What a happy sound, baby please come home

G (one strum)
They're singing deck the halls, but it's not like Christmas at all

C (one strum)
I remember when you were here, all the fun we had last year

G
Pretty lights on the tree, I'm watching them shine

C
You should be here with me, baby please come home

G Bm C D

G (one strum)
They're singing deck the halls, but it's not like Christmas at all

C (one strum)
I remember when you were here, all the fun we had last year

If there was a way, I'd hold back these tears

C
But it's Christmas day, baby please come home
