Long Black Veil

Long Black Veil Intro: G D C G G Ten years ago, on a cold dark night, there was someone killed 'neath the town hall light. There were few at the scene, but they all agreed that the man who ran looked a lot like me. Chorus: She walks these hills in a long black veil. G She visits my grave while the night winds wail. Nobody knows, Nobody sees, Nobody knows but me. G The judge said "Son, what is your alibi? If you were somewhere else, then you won't have to die." Well, I said not a word, though it meant my life For I'd been in the arms of my best friend's wife. **Chorus:** The scaffold was high, and eternity neared She stood in the crowd and shed not a tear. But sometimes at night, when the cold wind blows In a long black veil, she cries over my bones. Chorus: x2 G G D

Nobody knows, Nobody sees, Nobody knows but me.
