

# One Horse Town

Hank Williams III

Well walkin' with sorrow      Through a lonely day

With those empty bottles      Tryin' to ease my pain

I'm still here drinkin'      Over the good ol days

When I had my gal      And everything was ok

(Yodeling)    Ah yodel-ay eee eeeee, odle-lo oh ohhhhh  
Yodel-ay eee-eee eee-eee eeeeeee

(Instrumental with Harmonica/Kazoo Solo) C G D G (x2)

Well walkin' with sorrow      Is a lonely way

With those empty bottles      Tryin' to ease my pain

I'm still here thinkin'      About the good ol days

When I had my gal      And everything was ok

(Yodeling)    Odel-ay eee eeeee, odle-lo oh ohhhhh  
Yodel-ay eee-eee eee-eee eeeeeee (x2)
