

# Wherever Is Your Heart – Brandi Carlile

**Intro:** G

G D G C Em7 G  
I think it's time we found a way back home You lose so many things you love as you grow  
G D G C Em7 G  
I missed the days when I was just a kid. My fear became my shadow, I swear it did

**Chorus:**

Em C G Em C G  
**Wherever is your heart I call home. Wherever is your heart I call home.**  
Em C G  
**Though your feet may take you far from me, I know**  
Em\* C\* G  
**Wherever is your heart I call home**

G D G C Em7 G  
You made me feel like I was always falling. Always falling down without a place to land  
G D G C Em7 G  
Somewhere in the distance I heard you calling. Oh it hurts so bad to let go of your hand

**Chorus:**

G D G  
Even when you're high, you can get low  
C Em7 G  
Even with your friends you love, you're still alone  
G D G C\* Em7\* G  
We always find the darkest place to go. God forgive our minds, we were born to roam

**Chorus:**

**Bridge:**

Em C G  
Oh God forgive my mind, oh God forgive my mind when I come home, when I come home  
Em C G  
Oh God forgive my mind, there's a road that's long and winding it hollers home I'm calling home  
Em C G  
Oh God forgive my mind, oh God forgive my mind when I come home, when I come home  
Em C G  
Oh God forgive my mind, oh God forgive my mind when I come home, when I come home

**Chorus:** x2
