 Tell me something, give me hope for the night,
 Bb Bb Gm C
 We don't know how we feel
 F F F F
 We're just praying that we're doing this right
 Bb Bb Gm C
 Though that's not the way it seems

-same pattern throughout the song-

Summer's gone, now winter's on its way
 I will miss the days we had
 The days we had
 I will miss the days we had
 The days we had
 Oh I'll miss the days we had

Loving, leaving, it's too late for this now
 Such esteem for each has gone
 Has time driven our season away?
 Cause that's the way it seems

In the world of the speech that is new
 I'll be back again to stay
 Again to stay
 I'll be back again to stay
 Again to stay
 I'll be back again to stay
