

You Done Stomped On My Heart
Recorded by John Denver
Written by Mason D. Williams

Intro: D7 G (“Every step you took... was a stomp upon my heart...)
G G7 C
I told you that I love you; you said that is so good
D7 G
I called you my darlin'... I thought I always would
G G7 C
But now you've gone and left me; I don't know what to do
D7 G G7(single strum)
So my little darlin', I write these words to you

CHORUS:

C
You done stomped on my heart
G
And you mashed that sucker flat
A7 D7
You just sorta... stomped on my aorta
G G7
You started going out with guys
C
I felt us drift apart
D G
And every step you took was just a stomp upon my heart
Spoken:
G G C
“I only hope that someday... you get them low down blues
D7 G
And in some smokey honky tonk... you'll look down at your shoes
G G7 C
You'll think about that tender heart, that you crushed beneath them soles
D7 G
With your clod-bustin' stompers, you left my heart so full of holes”

You done stomped on my heart
