Hey Jude – The Beatles

```
     C              G        G7              C
Hey Jude, don't make it bad, take a sad song and make it better
   F                   C                 G7            C  {pause}
Remember to let her into your heart and then you can start to make it better
==========================================================================
     C              G        G7              C
Hey Jude, don't be afraid, you were made to go out and get her
   F                        C              G7
The minute you let her under your skin, then you begin
          C        C  Cmaj7  C7
 - to make it better
==========================================================================
                   F       Am    Dm
And anytime you feel the pain, hey Jude refrain,
         G7              C          C  Cmaj7  C7
Don't carry the world upon your shoulders
                   F       Am    Dm          G    G7    C
For well you know that it's a fool who plays it cool by making his world a little colder
==========================================================================
         C7      G        G7   {pause}
Da da da   Daa da   Da da da   Daa ....
==========================================================================
     C              G        G7              C
Hey Jude, don't let me down, You have found her, now go and get her
   F                   C              G7         C    C  Cmaj7 C7
Remember to let her into your heart, then you can start to make it better
==========================================================================
               F      Am     Dm              G7
So let it out and let it in hey Jude begin, you're waiting for someone
       C         C  Cmaj7  C7
to perform with
==========================================================================
                   F       Am        Dm
And don't you know that it's just you, hey Jude you'll do ...
               G      G7     C
The movement you need is on your shoulders
==========================================================================
         C7      G        G7     {pause}
Da da da   Daa da   Da da da   Daa ....
==========================================================================
     C              G        G7                C
Hey Jude, don't make it bad, take a sad song and make it better
   F                       C              G7         C
Remember to let her under your skin and then you'll begin to make it better
==========================================================================
```
Outro:
```
C          Bb        F            C      Csus4
Na na na   na na na na,  na na na na,  Hey Jude     {Repeat till the end of all time!}
```
