C

Pearly Shells from the ocean

Shining in the sun covering the shore

When I see them my heart tells me that I love you

More than all the little pearly shells

For every grain of sand upon the beach

I've got a kiss for you

And I've got more left over

for each star that twinkles in the blue

Pearly Shells from the ocean

shining in the sun covering the shore

When I see them my heart tells me that I love you

More than all the little pearly shells
